Who We Are

OGAI empowers publishers worldwide with cutting-edge publishing services, digital workflows, and technology solutions. With proven global delivery experience, we ensure every project is compliant, accessible, and future-ready.

Shaping the Future of Publishing

OGAI is shaping the future of publishing by combining publishing expertise and technology innovation to deliver content that is accessible, intelligent, and globally impactful.

The Future of Publishing: Key Trends

- ▶ **Accessibility First:** The European Accessibility Act (2025) is driving demand for WCAG-compliant EPUBs, alt-text, and assistive validation.
- ▶ **XML-First Automation:** AI-enabled, XML-first workflows enable faster, multi-format production across print, eBook, and online.
- ▶ **eBook Growth:** Multi-platform, interactive, and fixed-layout eBooks continue to expand global reach.
- ▶ **Localization:** Multilingual and culturally adaptive publishing fuels international expansion.
- ▶ **Data & AI:** Content analytics, indexing, and AI-driven insights improve discoverability and decision-making.
- ▶ **Sustainability:** Digital-first and print-on-demand strategies reduce costs and environmental footprint.

Why Partner with Us?

- ✓ **Accessibility Leadership:** Full EAA 2025 support
- ✓ **Proven Quality:** ISO 9001 & ISO/IEC 27001 aligned processes
- ✓ **Innovation Driven:** AI-enabled workflows
- ✓ **Scalable & Reliable:** Capable of high-volume delivery
- ✓ **Global Reach:** Experience with leading publishers in US, UK, EU, Asia
- ✓ **Cost Efficient:** Competitive, transparent pricing models.
